

Fig. 3.3 The homepage of the Royal Conservatoire of Scotland. The site has links to the different sections in a menu bar, and also has a 'quick search' facility.

ac.uk	academic institution or agency in the UK
com	company or commercial organization
co.uk	company or commercial organization in the UK
edu	educational institution
gov	government body or agency
mil	military agency in the USA
net	internet gateway
org	not-for-profit or non-commercial organization

These codes can provide indicators of the motive and status of a site host, but you should not draw rigid conclusions from them. Many .com hosts are extremely authoritative and responsible, and not all .edu sites operate to the high and exacting standards that are observed by others.
